

Dads' Talk

All Dads and Father Figures are encouraged to register for this supportive group facilitated by Paul Melville.

Held the second Tuesday of the month from 6:30PM-7:30PM

Studies show that children grow up happier with nurturing fathers in their lives. This group is designed for Dads and father figures at a time when stress can be high, life is unpredictable, and there is less social connection in our lives. Take time for yourself and hear how others are coping as caregivers of children and families. Create your own “toolbox” for effective parenting by gaining skills for handling challenging behaviors, calming stress, and learning effective communication and positive discipline strategies for raising healthy children.

Pre-registration is required. To receive a Zoom link, email info@capecodchildrensplace.com or call Cape Cod Children's Place at (508)-240-3310.

This programming is funded by Family Continuity and a SAFE Child Communities grant through the Children's Trust & a CFCE grant from the MA Dept. of Early Education and Care. It is administered by Cape Cod Children's Place and Family Continuity's Cape Cod and Nantucket Family Resource Center.
