Alex's approach to teaching young artists is playful and warm. Her strengths lie in her ability to create authentic art programming that develops creative thinking skills, self-identity, and cultural awareness. She celebrates the creative spirit in each child.

This programming is funded by a SAFE Child Communities grant through the Children's Trust and a Coordinated Family and Community Engagement (CFCE) grant from the MA Dept. of Early Education and Care, administered by the Cape Cod Children's Place in partnership with Dot to Dot Workshop of Harwich Port.
