- Are you wondering how to best support your child to prepare for Kindergarten this fall?

You will receive a no cost activity kit with materials to support play based learning so that you, your child, and other family members can enjoy having fun together.

- Each session includes playful, interactive ways to practice important school readiness skills such as independence, getting shoes and coats on, opening snack containers, listening, following directions, taking turns, fine motor activities to strengthen pincer grips to prepare for writing, games to increase letter and numeracy awareness, and MORE!

Our goal is to reduce anxiety, build positivity, and increase your child's excitement about entering Kindergarten!

To register, call Cape Cod Children's Place today! 508-240-3310
