

Sensory Movement Group

Fridays

10:00-11:00 am

7/8, 7/15, 7/22, 7/29

Does your child like to walk up the slide? Hang upside down? Spin on the swings?

Do you remember doing some of these things at the playground?

We will spend 4 weeks exploring “risky play” on the playground, learn what “risky play” is, the benefits, while exploring children’s developing sensory systems.

Join Occupational Therapist, Jennie Keeley and CFCE Coordinator Sue Gubbins. Add activities to your toolbox that activate, strengthen, and regulate your child's sensory system.

To register, please call Cape Cod Children’s Place at 508-240-3310 today!

This no cost program is funded by a SAFE Child Communities grant through the Children's Trust and a Coordinated Family and Community Engagement (CFCE) grant from the MA Dept. of Early Education and Care, administered by the Cape Cod Children's Place.
