March 3, 10, 17, 24

For families with children, ages 0-12 mos

Join Jennifer Watson, Pediatric Speech-Language Pathologist and certified “Learn with Less” provider, as she leads us in the opportunity to connect with your babies and toddlers without having to buy a single toy.

This program is dedicated to helping new parents feel confident they can support healthy development and connect with their child using what they already have at home.

This program focuses on the four pillars of the program: **Play, Talk, Move, and Sing.**

Let's turn off those electronics and plan for fun and play that can fit into your day.

Bring your child, your singing voice, an open mind, and a smile!

Registration is required by calling (508) 240-3310, as space is limited.

For more details call CCCP or visit our Facebook Page, IG & website capecodchildrensplace.com

This no cost programming is funded by a SAFE Child Communities grant through the Children's Trust and a Coordinated Family and Community Engagement (CFCE) grant from the MA Dept. of Early Education and Care, administered by the Cape Cod Children's Place, in partnership with Brooks Free Library..
