

Sensational Chats

This virtual gathering will allow us the opportunity, through our collective wisdom, to deepen our understanding of the underlying reasons for our children's actions and behaviors, share experiences, ask questions, and cheer each other on as we venture wholeheartedly in this amazing adventure of raising our children. Additionally, together we will share possible strategies and resources in our community. If the idea of gathering with other parents and caregivers with shared life experiences for support and inspiration appeals to you, please join us!

This support group is facilitated by Pediatric Occupational Therapist & Parent, Melissa Alves and co-facilitator, Liz Dempsey, Mental Health Clinician & Parent.
