

Dirt Made My Lunch!

ages 3-8 with a supervising adult

Come get your hands dirty and discover the benefits of working in the dirt and growing your own food. We will be tending the gardens and tasting food from the DCLT garden and local farmer's market. We will read Janet Stevens book *Tops and Bottoms* and will explore how we eat some food that grows below the ground and some food that grows above the ground but they all need DIRT to grow!

*Wednesday, July 10th
DCLT Headquarters at 107 Sesuit Neck Rd.
East Dennis, MA 10 - 11am*
